**Business Women's Club Plans Board Meet Tomorrow Night**

By BETTY MITCHELL.  
DA 6-4438  
The JFF Club held its monthly meeting on Tuesday, April 17, at the Park St. home of Mrs. Eva Kelly. All members were present with the exception of

Mrs. John Minor who was confined due to illness. The ladies dispensed with the business for the evening and turned the affair into a strictly social event. With Mrs. Helen Conze in charge of games, they all enjoyed planning bunco. Prize winners for the night included Mrs. Barbara Taraldsen who won first, and Ida Hahn who walked off with second. Raffle winner was Nettie Phillips. The evening was concluded with the serving of delicious refreshments by Mrs. Edith Buckingham. The next meeting of the club will be held on May 15.

ning at the home of Mrs. Jean Sleeth. The reason for the gathering will be to go over the by-laws of the organization in anticipation of an expansion in the very near future. Officers who will attend will include Mmes. Robert O'Brien, Don Matthew, Virgil Hancock, W. Lavit, Fred Stevens, Loring Bigelow, and Robert Waegner.

event to be held today at the Wayfarers Inn in Lomita. It is a board luncheon at which teachers will be guests. A couple of surprises will be in store for certain members, but more about this next week.

Our sincerest sympathies are extended to Mrs. Fred White and family upon the death of her father. Mrs. White flew back to Missouri upon receiving word of her father's fatal injury. He passed away the following day.

Another bereaved family here in Walteria is that of James Harner, Danah St. Mrs. Harner's father, Matthew G. Scholl of Lomita, died suddenly last Saturday evening. Our heartfelt sympathies are extended to them in their time of sorrow.

On May 5 all parents of Scouts are invited to inspect the progress of work on the Scout building on Madison St. A report will be made at this time by the building committee of the Walteria Business Men's Club which is sponsor of the project. The time for the meeting is 9 a.m. which is early enough for fathers to wear work clothes and pitch in and help afterwards. Free doughnuts and coffee will be served by the ladies of the Walteria Business Women's Club.

Surprise guests at the home of Mr. and Mrs. Robert Waegner, Winlock Dr., are Mr. M. and Mrs. R. Rathael, grandfather and uncle of Mrs. Waegner. The Rathels had spent a week's visit in San Francisco and then decided to drop in at the Waegners for a surprise which was most welcome, arriving here on Saturday.

PLAQUE WINNERS . . . Two Torrance firms are displaying the prizes Bronze Plaque, awarded to plant employees who together gave a total of one fourth of one per cent of payroll to help the Community Chest's 168 Red Feather agencies. Here Maurice Schwartz, left, president of Pacific Smelting Co., and John Ebbinghouse, center, plant manager of American Rock Wool Corp., accept awards for their plants from Jack Schmidt, plant Chest chairman.
